## ABOUT ME

I'm Samuel Tiruneh, studying Software Engineering in Bahir Dar, Ethiopia. I've found my passion in website development. Willing to learn and grow continuously. I love building both frontend and backend parts of websites. I've gained more than two years experience working on various projects using different tools.

## CERTIFICATIONS

- Introduction to frontend development (Meta Certificate at Coursera)
- Programming with JavaScript (Meta Certificate at Coursera)
- HTML and CSS in depth (Meta Certificate at Coursera)
- Introduction to backend development (Meta Certificate at Coursera)

## PROJECTS

**FRONTEND PROJECTS**

- I developed more than two Hotel and Restaurant websites using HTML,CSS,JavaScript,React and CSS framworks.
- Two ecommerce websites the first one using HTML,CSS and JavaScript the other using React js.
- OpenAI(ChatGPT) landing webpage using react.
- Real estate website,Hair Salone website,Movie website.
- News App using HTML,CSS and JavaScript that fetches data using API.
- Other mini JavaScript App projects like: QR code Generator, Text to Voice converter, AI Image Generator,Calculator, Quote Generator...
